

### 2022 COVID Protocol Quick Reference Sheet

Manidokan and West River will adjust our COVID-19 safety protocols throughout the summer based on the CDC COVID-19 Community Spread Levels (<https://www.cdc.gov/coronavirus/2019-ncov/science/community-levels.html>) for the county in which the camp resides (Manidokan-Washington, MD; West River - Anne Arundel, MD). We will check these levels on the Friday before the start of each program to determine the level for the upcoming week.

	Low	Medium	High
Overnight program pre-camp COVID test (within 72 hours of program start)	Yes		Yes
Pre-Camp Health Screening Form	Yes		Yes
Program Cohorts (limited/no interaction between programs)	No		Yes
Masking	Optional in most situations. Required at the health center.		Required when interacting with someone who is not part of their cohort. <b>Day Campers</b> - required when indoors
Physical Distancing	No		Yes
Daily Health Monitoring	Yes		Yes
Camper shows signs and symptoms of COVID-19 while at camp	Sent Home		Sent Home
